

**KEE HING CHEUNG KEE CO.,LTD.**

Managing Director: Michel Wang

## BRIEF INTRODUCTION

Embarking on high-way infrastructure project construction in Hong Kong in 1970, Kee Hing Cheung Kee Co.,Ltd is a truly transnational corporation specializing in international public project fulfilling and international commodity trading. Relying on our excellence of business performance and close collaboration among branches, we have enjoyed globally recognized reputation in successfully fulfilling public projects and providing quality products at a competitive price to a wide range of clients worldwide for more than 30 years. Among the branches, head office in Hong Kong focuses on international public project bidding, while branch in Dalian China, together with Vietnam office and Holland branch, professionally engages in international trading business.

We have not only specialized in a specific product and a particular market, simply because our work has been driven by the needs of our clients and the community. Among many strengths distinguish KHCK in the market place, we are in cutting edge position in providing chemical products, electromechanical products and pharmaceuticals.

Additionally, in coping with ever increasing global competition, KHCK is constantly striving to improve and upgrade our operations by putting mechanisms and stipulations in place on maintaining high level management and operational efficiency. Consequently, KHCK has been certified and secured as meeting the requirement of ISO 9001:2000.

We succeed only when our clients achieve their goals is our permanent corporate motto. KHCK considers this a key to our success, and a reason our teams consistently go the extra mile to keep projects on track and customers happy.

# Green Power Development

We 'KHCK' have been devoting ourselves to develop Green Power with the purpose of protecting our planet. With the renewable energy, we can utilize the power from the nature without any pollution to the environment. Our experienced team offer customized solutions for our worldwide customers.

## Solar Energy

Solar power system is an ideal choice with the traditional fuel running out and renewable energy support policy releasing from all government, also solar power system has 25 years life span and gives no pollution during the process. This means that you'll be receiving clean energy from the sun at no cost and electricity bill for the next couple decades.

## Wind Energy

Our work involves HAWT & VAWT, and streamlined three-bladed reinforced fiber glass blades have the advantages of great intensity, fatigue resistance and high efficiency. The generator characterizes its high efficiency and good low speed performance.

**Business scope**

For solar and wind products, different people have different opinions and our work cover grid on and off system till megawatt level.

For solar power system, we give total solution from 20W, 50W, 100W, 1kW till megawatt project including

pre-consulting, design, equipment selection, installation guide, after sales service and track.

For wind power system, we offer 200W, 300W, 500W, 1KW, 2kW, 5kW, 10kW, till 1.5MW wind turbine and control system accordingly, as for concrete cooperation mode; we can negotiate on the table.

**Application:**

# Power Transmission & Electrical Equipments

KHCK can provide whole sets of equipment used in all kinds of power plants and transmission lines, also different types of generator sets. Most of our products have been certified by international authorized testing organizations such as KEMA and IPH. Top quality electrical equipment with high cost performance, will provide reliable, safe, and high efficient power system and network for your country.

- **Power & Distribution Transformer (Oil and Dry types, Kiosk, American type...);**
- **Circuit Breaker and Switchgear (Vacuum, SF<sub>6</sub>, GIS, AIS...);**
- **Power Cable, Optical Fiber Cable, Cable accessories (ACSR, XLPE, OPGW, ADSS...);**
- **Transmission Line Accessories (Porcelain, Glass, Silicon-rubber insulator, Arrester);**
- **Generator Set (Digital, Gasoline, Silent, Diesel, Gas, Biogas, Hydro, HFO...)**

# Military Uniforms, Bullet Proof Vest, Helmet, & Accessories

KHCK has been extended its supplies of personal products and military equipments to the world military markets for more than 15 years. All the products from KHCK have been widely used for world wide army forces. We are professional military solution.

## BULLETPROOF MATERILAS, VEST & HELMET :

We KHCK can supply various Bulletproof relative items :

Such as : Bulletproof Vest, Bulletproof Helmet with HSHM-PE materials, Kevlar materials , reach to NIJ LEVEL IIIA Grade

# Military Special Vehicle & Trailer

## **SELF-PROPELLED COOKING VEHICLE**

Our designed Propelled Field Kitchen is considered long time working in the field, can provide 150 persons /meal in one hour. With own generator and cooking in running.

## **TRAILER**

KHCK has been also can provide the Mobile Field both Kitchen trailer and Purification Trailer, which applies to field operations、camp of the army、garrison and in the village.

**MOBILE KITCHEN**

**MOBILE WATER PURIFIER**

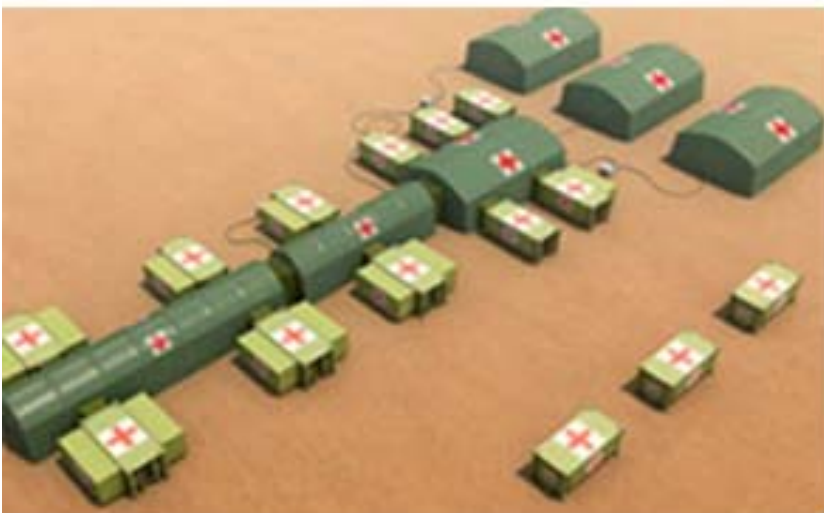

**FIRE FIGHTING TANK**

The Fire fighting Tank is made from the real tank hull, it is widely used for all kinds of dangerous firing area.

# Multifunctional Temporary Construction

Flood, Twister, Earth Quake, Plague and some other disasters keeps suffer people all over the world. Our MULTIFUNCTIONAL TEMORARY CONSTRUCTION is not only suitable for the using after different disasters but also for the Army, Mobile Hospital, Barracks etc.

# Mobile Hospital/Clinics

Nowadays we have to meet the emergencies from various disasters, which requires to equip with easy transportation, mobile facilities to provide temporary place for primary treatment to the sufferers. The container & inflatable tent are the most suitable choice of such needs. The characteristics of high variability and easy setup make requirements come true. Our products are inflatable tents for mobile and quick use accessories, biological protection, air sterilization unit, modular hygienic packets.

Our mobile workplace of medical rescue service consists of inflatable tents, containers, decontamination unit and technical equipments.

## Advantages of Mobile workplace

- ★All parts of hospital are mobile
- ★Blow up in 5 minutes
- ★Compatible, flexible, and working comfort
- ★Max Economic
- ★Easy and quick maintained
- ★Has strength against bad weather conditions

## Possibilities of Application

- ★Mobile first-aid station should can be used in the state of war or peace.
- ★It can be used as military field hospital.
- ★Terrorism and common trainings of armies
- ★Natural disasters and their consequent, liquidation (flood, earthquakes, fires, landslides, etc.).
- ★International humanitarian help.

# Construction Machinery

Our head office in Hong Kong was established in 1970s and started from High Way Project. We've gained much experience for such project and the Construction Machinery. Little by little we set up a independent department especially for all relative products.

We can supply Construction Machinery for different purpose and different sites such as:-

- Brick Machine, Traffic Marking Machine
- Pile-driver, Water Well Drilling Rig
- Compaction Machinery
- Asphalt Concrete Paver, Vibratory roller
- Pneumatic roller, super heavy-duty self-propelled smooth-drum road roller
- Motor Grader
- Bulldozer & Wheel Loader

**Brick Machine**

**Water Well Drilling Rig**

**Bulldozer**

# CRANES

In the market, Japanese/German/Denish Heavy Machines are popular in the market. But little by little, Chinese Heavy Machines keep getting more and more market share with its competitive prices, excellent quality and fast delivery.

We are now representing the TOP PRODUCERS in China for the Heavy Machinery Export. Our products has gained very good reputation and feedback from the buyers all over the world.

## **Mobile Crane (25~240T Lifting Ability)**

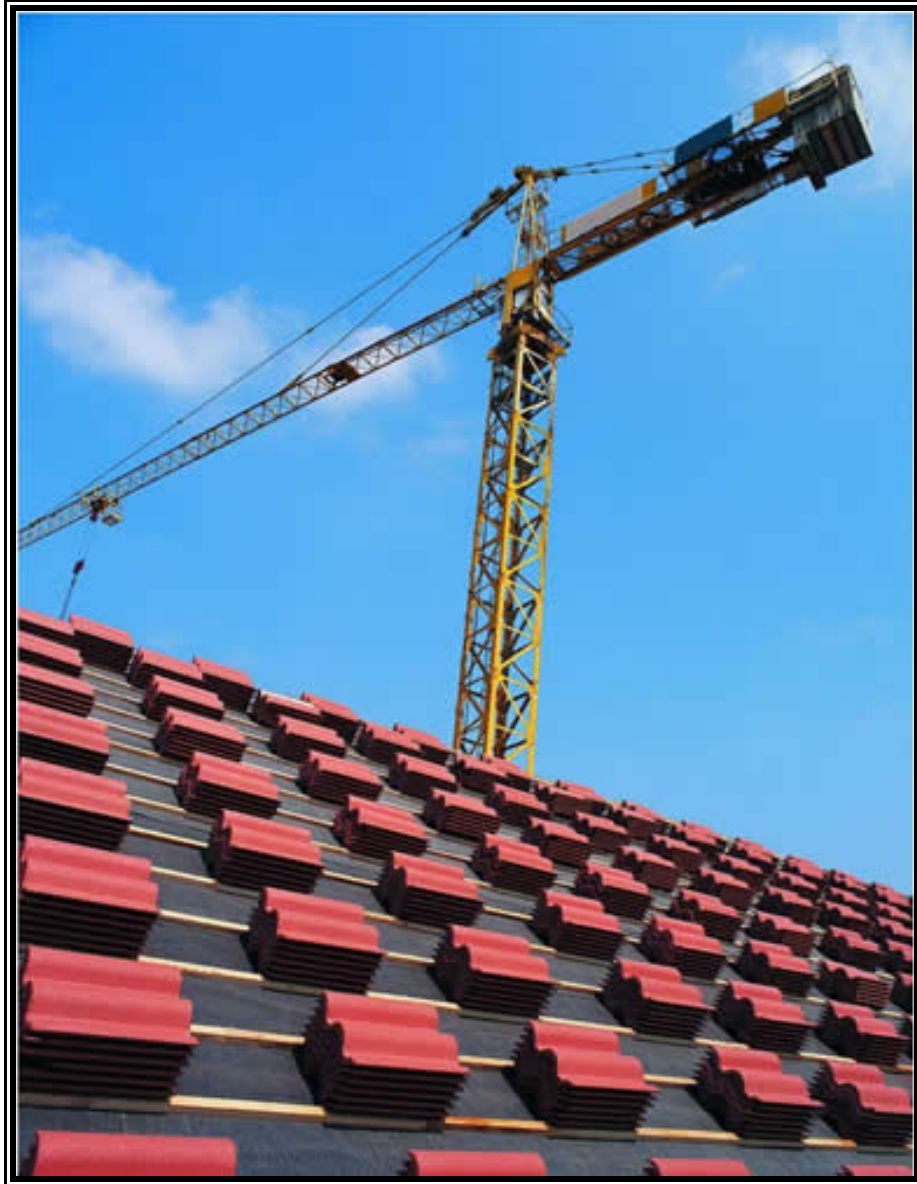

These cranes are powerful, compact and maneuverable, which satisfies combined road and off-road operating requirements on construction sites of all kinds, worldwide. The crane also has power lifting capacity, strong drive, good passing ability, wide application and reliable operation.(lifting ability range 25~240T)

## **Crawler Crane**

We can provide different lifting capacity Crawler crane,(35~350T)and this applies to cars in many fields such as engineering construction.

## Tower Crane

It comprises machines of all systems and size categories, with the ideal lifting technology for any civil engineering task. The highly adaptable fast-erecting cranes and the efficient top-slewing cranes have proved their worth both in the construction of residential buildings and on large-scale industrial projects all over the world.

# Public Security System & Safety Products

Nowadays the demand of Security System, Equipment keeps increasing by different consumers like Banks, Hotels, Hospitals, Governmental Authorities, Embassies etc., Professional Consultant is needed urgently. Most of the consumers will go to a consultant after some accident happens. Very few of them would make this job before the unhappy things happen.

KHCK GROUP provides our clients ONE STOP SOLUTION for the security project service. No matter for AIRPORT, Resident Building, Hotel, or Hospital, we can give multi-function design and solutions.

CCTV SYSTEM, X-RAY SCANNER, METAL DETECTOR, SMOKE DETECTOR...makes up of different part of the Public Security Control Network.

We believe our experience can bring safety to our clients.

We also provide SAFETY PRODUCTS for different dangerous jobs & working conditions such as fireman, mines, chemical plant, workshops, timberjack, policeman, security guard etc.

*We secure those who secure others.*

# Special Vehicle for Security/Police/Military

KHCK has been keeping very good relationship with the governmental authorities, police, public security administration, banks in different countries and we have provided different SPECIAL VEHICLES for the specific uses. All the Special Vehicle can be Tailor-Made.

**Armored Passenger Vehicle**

**Cash in Transit Vehicle**

**Wrecker with hoist or Flat**

**Armored Passenger Carrier**

**Water Cannon**

**Fire Engine**

## Mixer Truck

Front discharge multi-function concrete mix ready is a multifunctional special vehicle including concrete mixing, transportation and work on spot.

## Truck Mounted Crane

The truck mounted with crane (Self-loading truck ) is an ideal lifting, loading and unloading , transporting vehicle.

It can be widely used in stations; docks; factories; mines; oil fields; forests; construction sites; goods yards and warehouses etc.

# Office, Household & Hotel Furniture

We provide different levels, materials furniture for Office, Home and Hotels. Our products can be from simple design, to Luxury; from Classic Taste to Fashion Front line.

Office work condition is getting better and better now. A good design of the office furniture can bring people fresh air so that everybody has a good mood to start every new day.

We have very professional team and designer for the Office Furniture Solutions who can make your office to be very special.

# Electronics Products

Electronics keep changing our life. People also keep changing electronics in last 120 years. From telephone to radio, from Black-white TV to HOME THERTRE.

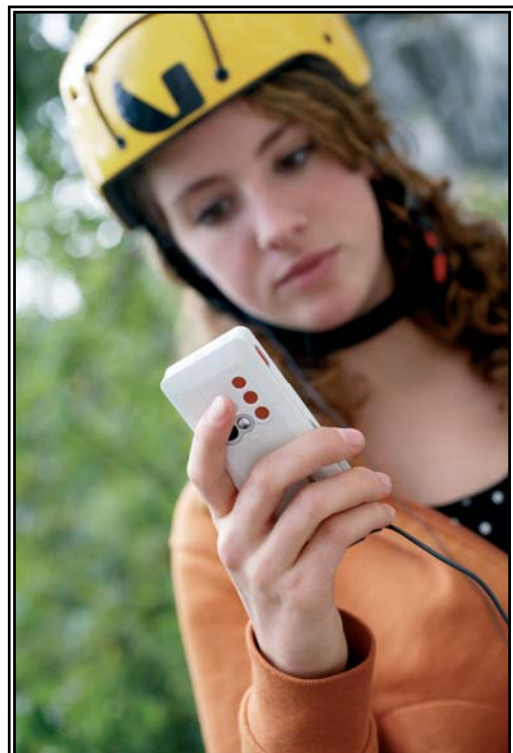

We have been catching new target since TV was invented. The size of the screen gets bigger and bigger and after that we started trying to have HIGH DEFINITION.

After Mr.Bell "introduced" us the telephone in 1870s, inventors have been trying to bring us its new

functions until we made it MOBILE.

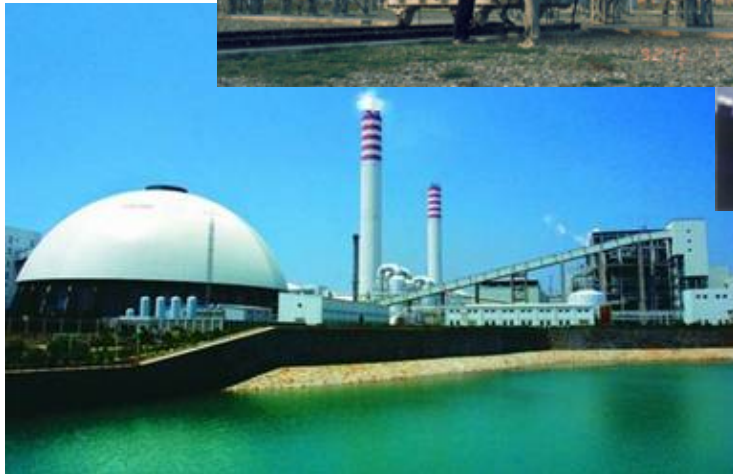

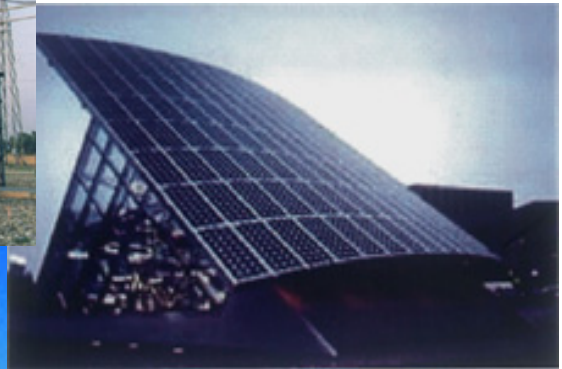

*Electronics give us a colorful world and shortens distance .*

- CRT TV, LCD TV, FLAT TV
- DVD, MICROWAVE
- MOBILE PHONE (GSM, CDMA, Single/Dual Sim Card-GSM+GSM or GSM+CDMA)
- Walkie Talkie
- Refrigerator, Air Conditioner
- GPS SYSTEM
- Car Video/Audio System

# EPC Projects

- KHCK provides professional consultant service for EPC projects such as power plant, water treatment, highway, airport construction, public security system, chemical plant, indoor rink etc.
- KHCK provides one-stop service for thermal power plant, hydraulic power station, wind power station and etc including feasibility study, design, engineering, supervisal, equipment supply, erection, commissioning and assisting operation.

# Chemical & Mineral

With rich experience in international cooperation & strong support by local producers, together with the principle of ALL WE DO JUST FOR YOU, we've been serving overseas clients in the chemical and mineral fields for the past 40 years. Our products have been sold to Middle East, Asia, Africa, Europe, America etc. As we're always devoting to provide high-quality products &

service & value credit as the key of keeping business for a long time, KHCK has become an esteemed supplying company of various chemicals & minerals.

We recognize that every customer and business require specific needs, so we're providing tailor-made solution & one-stop service, that helps save customer's time & energy, meanwhile, satisfy customer's needs to the greatest extent.

In the light of sustainable development policy made by management, KHCK is constantly working on the research and development of green chemicals to realize the goal of combining financial success with a positive contribution to the well-being of the planet and its people.

# Pharmaceutical & Medical

Building  
on Experience

Delivering  
on Promises

KHCK GROUP is professional and active in the whole line of medical industry. We do not only provide our clients with the best purchasing solution for the hospital furniture, equipments, instruments and devices etc., but also design and construct hospitals, mobile hospitals, mobile clinics as your special request.

## Medical Imaging System

According to clients specific demand, we can meet them with Tailor-made service for different equipments such as Ultrasound scanner, X-ray machine, MRI, CT-scan, and other imaging system.

Our principle is to provide you another eye to see inside of yourself.

## Medical Analyzing and Monitoring System

ECG, EEG, Tran cranial Doppler, analyzers and Monitors, Medical Testing strips etc.

## Medical Therapy System

We have the advanced technology medical therapy system in the world which can provide the patients timely diagnosis.

## Basic hospital products and Basic medical products

Hospitable beds, nursing appliance and home care products, high quality of disposable medical products and different kind of medical products.

Medical cleaner, washer-Disinfector, freezer biological safety cabinet etc.

## E-Hospital solution and Medical Software Programming

## **Active pharmaceutical Ingredients & Veterinary Bulk Drugs**

KHCK is experienced to source and supply the new bulk drugs, new pharmaceutical intermediates and new chemical compound, engaged in the Contract manufacturing and Contract research for the worldwide customers, make their ideas into reality.

## **Natural APIs & medicines and healthy food industry**

KHCK's technicians are focusing into research, manufacturing the highest quality natural API, nutritional supplements and finished natural healthcare products, which are extracted from pure natural resources, and endeavor to supply the reliable and high quality substances and healthy food to the worldwide customers in the field of Pharmaceuticals, health care, cosmetic, food, beverage & dietary industry, and contribute himself to the human's health.

## **OEM producer in the field of healthy food**

We've been researching and developing functional botanical health food, nutritional health food produce reliable quality of 100% natural products by ourselves, contributing our energy to people's health in the world, KHCK is your most reliable and trusty OEM producer in the field of health food.

## **OEM producer in the field of formulations**

KHCK is dedicated to produce the high quality of dosage form Pharmaceutical raw materials and formulations specially for the reliable foreign clients in the world market. KHCK is your most reliable and trustful OEM producer in the Chinese medicine industry..

## **Introduction of good formulations to the world**

KHCK is dedicated to introduce the good treatment medicines produced in China to the overseas regions, where the cheaper price medicines with good treatment needed mostly, endeavor to make patients in these districts benefit from the rapidly developed Chinese Pharmaceutical technologies, donate his energy to the human's health.
